Box 849, Arlington, Texas 76004, evidenced by a Memorandum of Oil and Gas Lease recorded in Instrument No. D207039195 of the Deed Records of Tarrant County, Texas. That Lessor and Lessee desire to correct the property description in the Lease to clarify the acreage and the volume and page number in the referenced conveyance document, to more accurately identify the lands described as follows (hereinafter the "Corrected Lands"):

1.0 acre, more or less, situated in the B. Jopling Survey, Abstract No. 880, Tarrant County, Texas, as described in that certain Warranty Deed with Vendor's Lien dated August 10, 1984 from GARY W. For adequate consideration, the sufficiency of which is hereby acknowledged, Lessor ratifies, approves, confirms, and adopts the Lease to include the Corrected Lands as if the same had been originally included in the Lease. Lessor grants, leases, and lets to Lessee, its successors and assigns, the Corrected Lands for the purposes and upon the terms, conditions and provisions contained in the Lease, as to all of Lessor's right, title, and interest in and to all of the oil, gas, and other minerals in, on, or under the Lands. All terms, covenants and other provisions of the Lease are hereby incorporated into this instrument, which is made only to correct the property description of said Lease and not meant to alter any other terms of the Lease in any way.

This instrument is executed as of the acknowledgement date below, but effective for all purposes as of January 9, 2006.
